## Managers Corner

The chill of fall is in the air as our summer has quickly come to an end. The leaves are beginning to fall so just letting everyone know when you bag them you can throw them in the big trash bins, we do not pick up the bags anymore, we are short staffed.

We received our first home for Orchard Ranch North and are very excited with the progress being made with the expansion.

Just an FYI all landscaping or painting your exterior needs to be approved by management. Hoping everyone enjoys the change of seasons, stays safe, healthy and warm.

Ruby Dennis  
Assistant Manager

## HAPPY FALL.

This is a "New Carrier- Formal Seminar" and will be the first formal presentation with the new carrier for enrollment in Medicare options available for 2019. Humana will be here at 1pm on the 24th.

We are still looking for people to sign up for the Blazin' M trip on the 20th. If we don't get enough people to sign up by the 10th we will need to cancel it.

## Greetings from Orchard Sales

If you have not seen the New Home on the front lot, this is a model for the Orchard Ranch North. Clayton representative will be here to share the home with you. His office hours are Tues-Sat. and you need to make an appointment with him also, which can be done thru our office.

Since there is a lot of movement within the park, some homeowners have sold their Park Models or Homes to new guests. We just again want to remind you when you are selling by owner – the Management office needs to pre-approve the buyer PRIOR to your accepting funds for the sale. The Residency Approval should be done, then you know your buyer is approved to live at the Ranch.

Speaking of new residents, please welcome the following new residents  
Site 1119 –Matt & Anna Puett  
Site 1117- Sandra Scott

Please give a big Orchard Ranch welcome to all our new neighbors. Don't forget – we have the referral program, if you refer your friends and they purchase a New Home from Orchard Ranch then you get a finder's fee. Things are moving, which is exciting. Also Orchard Ranch North has it's own website – [www.orchardranchnorth.com](http://www.orchardranchnorth.com), Check it out, Web person has flown a drone over the property and its quite a site from the air. New updates will be going on that web page in the next couple of weeks.

## WE JUST KEEP DOING IT!!

Congratulations to Orchard Ranch Residents! With your invaluable assistance, we have sent over \$1,579,065.00 in manufacturer coupons to our Military bases overseas since February 2012. Thank you for your support and thanks to Orchard Ranch for paying the postage to send the coupons.

Thank you for the amazing response for Coupons! Your donations are greatly appreciated and they make a difference in a Military Family's life. **In September 2018, we collected \$37,085.00.** September was about \$12,067 less than August. What a great month. **YOU come through every month for our military families.** Please remember to give us your **MANUFACTURER COUPONS ONLY** and ask your friends to donate theirs. There is no charity project less expensive than Coupons – if you don't donate them you simply would throw them away. Your coupon donations are critical and Military families appreciate them.

- Please donate **ONLY** manufacturer coupons. (No Target, CVS, Restaurants, etc...)
  - Please don't donate coupons that over 30 days expired.
  - Please remember that rubber bands around the coupons ruin them and they get tossed.
  - Overseas Commissaries (Military grocery store) will accept coupons up to 6 months past expiration dates.
  - Our coupons are sent to a Depot in Florida then they are distributed to Overseas Military bases.
  - **We meet twice a month, the 1st and 3rd Wednesday @1:00 pm in the Round House. You are welcome to join us. Our next meeting is Wednesday October 3rd & Wednesday October 17th . Make a new friend and contribute to a great cause.**
- Thank you on behalf of our Overseas Military Families!! Deborah

## 'Have paddle, will travel'

The Mile High Match-Up in Prescott Pickleball is the fastest growing sport in the United States and Orchard Ranch Resort has the most active Pickleball Club in the Quad City area. The picture above, taken by Cindy Barks of the Prescott Courier, is our own Sue Brogaard competing in the Mile High Match-Up tournament. In the Women's Doubles, Sue and her partner earned a Bronze medal. Sue picked up Pickleball when she moved to Orchard Ranch Resort two years ago. Since then she has been going strong and is currently rated a 4.5 with 5.0 being the highest ranking. She also competes in several tournaments down in the Phoenix area and has been invited to compete in Nationals this year which will be held in Indian Wells, CA. Our Pickleball Club has brought a lot of attention to Orchard Ranch. We have visitors coming in to play quite often. They love our community and our club. We are currently getting involved in and supporting the Prescott Valley Pickleball Association (PVPA). We are in the process of raising funds (\$160,000) to have the 6 courts built at Antelope Park.

# SUNSCREENS & SHADES

Enclosing your porch or carport creates a barrier to wind, rain, leaves and insects, and it also increases your living and entertaining area while giving added value to your home. Choose light density or privacy fabric from a spectrum of colors. Add matching window screens on the sunny side of your house to reduce energy costs and protect your furniture and flooring while tying everything together aesthetically.

- Benefits from Sunrise to Sunset:
- Cut your energy bills up to 20%
- Reduce furniture and carpet from fading from harmful UV rays
- Let in the breeze, keep out the bugs
- Protect your privacy-- you can see out but others cant see in
- Flame resistant material for safety
- Easily installed and easy to clean
- A variety of attractive colors to choose from

## 1,400 CHRISTMAS STOCKINGS NEEDED

No, these stockings aren't needed in 3 months, but while there is a great selection of Christmas fabric in the stores, it is time to begin working on the stockings for 2019.

If you aren't familiar with the Christmas Stocking Program or the group of volunteers that call themselves The Orchard Elves, here is the background. The owner and managers of Orchard Ranch have committed our community to 1,400 stockings for the Coalition for Compassion and Justice - a public service organization assisting the less fortunate in our area. They provide ample funding for all the materials needed to complete the stockings. The Orchard Elves are the community volunteers who enjoy working on the stockings and socializing together the first Friday of most months. This has been a target project of Orchard Ranch for many years.

The group is always eager to have new members. If you would enjoy working with the Elves this coming winter, please save Friday, Dec. 7th at 9:30 AM for our annual Christmas Brunch social and "kick-off" for the 2019 stockings. If you don't have your own machine, several are available in the sewing room. If you don't sew but would like to be involved, we need cutters, people to put together the kits, pressers, counters, etc.

If you have any questions or concerns or just want to make certain your name is added to the list, please contact Sue Neville [the Elf Facilitator] at 704-650-4741, or give your name to Helen in the Activity Office or Tanya in the Business Office. They will get it to Sue.

This information will be available in the newsletter again in November along with more details concerning the December 7th brunch. Once Sue has your name and number, you will also receive personalized reminders.

We look forward to seeing new faces and meeting new friends.

Hannah's Heart items are inspired by the childrens book, Hannah's Heart and created by volunteers. One of a kind hearts are handmade from donated, vintage, recycled and repurposed materials. Orchard Ranch seamstresses and crafty women have been hard at work for months and will continue through the Christmas rush. This is a project of the Coalition for Compassion and Justice, that helps needy families in Yavapai County. Many of you are familiar with the Christmas stockings we do yearly for the same charity.

Bring the gift of your time and talents, no matter how humble. Offer your whole heart to whatever you do. Then don't be surprised that you are blessed.

### **\*\*A BIG THANK YOU\*\***

Clyde and I, on behalf of US Vets, want to thank all of you for the great response to the Yavapai County Stand Down. To be able to give a Hand Up is a blessing within itself, to do it year after year is short of a miracle in my eyes. So many of you have given that Hand Up to so many Veterans in need. Yavapai County has a large population of homelessness and about 34% of the homeless are Veterans.

OMG!! We had tons of clothing, personal hygiene items and then of course Sundie Undies. I can't tell you how many times we came home to find bags of clothing on our porch. Just another Blessing. Every donation, every volunteer is a Blessing. To all of you that volunteer to help at the Stand Down, this event couldn't be done without you. Each year more of you step up. We warned you it would be addicting. One-time volunteering and you are hooked year after year. This is our fourth year and every year we find ourselves doing more for this important annual event. Our first time was a 4-hour shift, now we are there for both days and all day. Very rewarding to be able to pay it forward. Also want to give a Big Thank You to Orchard Ranch Resort for putting the Stand Down flyer in the monthly newsletter.

The Orchard Ranch Community always steps up and we are proud to call Orchard Ranch our home.

Respectfully,  
Clyde & Deborah Meade
